

**Are you looking for full-time employment with good benefits?  
Aviation may be the career for you!**

# **Start Your New Career** with South Seattle College's **Aeronautical Technology Department**

**King County has the most aerospace activity in the entire country, with 45,000 employees and 400 aerospace companies. Many in the workforce are retiring. Boeing alone needs 5,000 new workers a year!\***

\*February 2016, King County Aerospace Alliance

There are opportunities to train for well-paying jobs in as little as six months, and financial assistance may be available.

Contact us today and come to an open house, including a tour of our FAA-certified facility. Open houses and tours are held days and evenings throughout the year.

Please contact us for more information, directions and a free parking pass.
